ABOUT US

Established in 2021, C-Star Overseas is a British Virgin Islands incorporated company with an operational office in Vietnam and a representative office in Singapore, providing marine agency and offshore support services across Vietnam and part of Southeast Asia.

Our core team brings over 20 years of combined experience supporting complex operations in the shipping, subsea cable, offshore energy and oil & gas sectors.

We operate 24/7 with a clear mission: to deliver consistent, compliant, and cost-effective solutions tailored to each client's operational objectives.

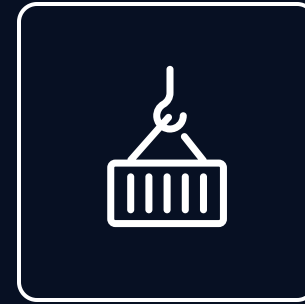

Our vision is to be a strategic partner of choice in Vietnam and Southeast Asia, known for executional discipline, technical expertise, and long-term client trust.
